

# "What if..."

On the front of the handout I want you to write what you could become, do, or be for the next five to fifteen years I want you to think about the goals that you have (please be realistic with this list.)

Two out of ten teenage girls in the United States get pregnant at least once before age 20.

False, 3

**False, 2/3**

One-third of all teen pregnancies occurs among 18-19-year-olds.

Parenthood is the  
leading cause teen  
girls  
drop out of school.

**True**

Almost 60% of teens have never considered how a pregnancy would affect their lives.

One-third of families begun by a young unmarried mother struggle financially.

Parenting healthy babies

The infographic features a pregnant woman in a red dress on the right side. The title 'Teen Pregnancy' is in a red banner. Below it are three bullet points: 'Causes', 'Risks', and 'Precautions'. At the bottom left is the logo 'Parenting healthy babies'.

Six out of ten fathers don't marry  
the mother of their child

**False, 8**

Males born to teen mothers are twice as likely to be arrested compared to males born to married couples.

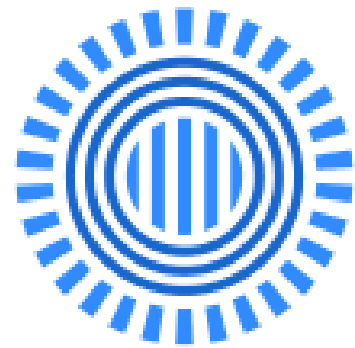

The background is a teal-to-blue gradient with faint technical graphics. On the right side, there are several circular gauges or dials with numerical scales (e.g., 80, 90, 100, 110, 120, 130, 140, 150, 160, 170, 180, 190, 200) and arrows. There are also some dashed lines and smaller circular elements scattered across the background.

NOW IMAGINE....

WHAT IF? THIS  
YEAR I FOUND  
OUT...

I AM PREGNANT  
OR  
THAT I WAS  
GOING TO BECOME  
A FATHER
