The board acknowledges the dignity and worth of all students and employees and strives to create a safe, orderly, caring, and inviting school environment to facilitate student learning and achievement. The board prohibits discrimination on the basis of race, color, national origin, sex, disability, or age and will provide equal access to the Boy Scouts and other designated youth groups as required by law. The board will not tolerate any form of unlawful discrimination, harassment, or bullying in any of its educational or employment activities or programs.

A. PROHIBITED BEHAVIORS AND CONSEQUENCES

1. Discrimination, Harassment, and Bullying

Students, school system employees, volunteers, and visitors are expected to behave in a civil and respectful manner. The board expressly prohibits unlawful discrimination, harassment, and bullying.

Students are expected to comply with the behavior standards established by board policy and the Code of Student Conduct. Employees are expected to comply with board policy and school system regulations. Volunteers and visitors on school property also are expected to comply with board policy and established school rules and procedures.

Any violation of this policy is serious and school officials shall promptly take appropriate action. Students will be disciplined in accordance with the school’s student behavior management plan (see policy 4302, School Plan for Management of Student Behavior). Based on the nature and severity of the offense and the circumstances surrounding the incident, the student will be subject to appropriate consequences and remedial actions ranging from positive behavioral interventions up to, and including, expulsion.

Employees who violate this policy will be subject to disciplinary action, up to, and including, dismissal. Volunteers and visitors who violate this policy will be directed to leave school property and/or reported to law enforcement, as appropriate, in accordance with policy 5020, Visitors to the Schools.

When considering if a response beyond the individual level is appropriate, school administrators should consider the nature and severity of the misconduct to determine whether a classroom, school-wide, or school system-wide response is necessary. Such classroom, school-wide, or school system-wide responses may include staff training, harassment and bullying prevention programs, and other measures deemed appropriate by the superintendent to address the behavior.
2. Retaliation

The board prohibits reprisal or retaliation against any person for reporting or intending to report violations of this policy, supporting someone for reporting or intending to report a violation of this policy, or participating in the investigation of reported violations of this policy.

After consideration of the nature and circumstances of the reprisal or retaliation and in accordance with applicable federal, state or local laws, policies, and regulations, the superintendent or designee shall determine the consequences and remedial action for a person found to have engaged in reprisal or retaliation.

B. APPLICATION OF POLICY

This policy prohibits unlawful discrimination, harassment, and bullying by students, employees, volunteers, and visitors. “Visitors” includes persons, agencies, vendors, contractors, and organizations doing business with or performing services for the school system.

This policy applies to behavior that takes place:

1. in any school building or on any school premises before, during or after school hours;
2. on any bus or other vehicle as part of any school activity;
3. at any bus stop;
4. during any school-sponsored activity or extracurricular activity;
5. at any time or place when the individual is subject to the authority of school personnel; and
6. at any time or place when the behavior has a direct and immediate effect on maintaining order and discipline in the schools.

C. DEFINITIONS

For purposes of this policy, the following definitions apply:

1. Discrimination

Discrimination means any act or failure to act that unreasonably and unfavorably differentiates treatment of others based solely on their membership in a socially distinct group or category, such as race, ethnicity, sex, pregnancy, religion, age, or disability. Discrimination may be intentional or unintentional.
2. Harassment and Bullying

a. Harassment or bullying behavior is any pattern of gestures or written, electronic, or verbal communications, or any physical act or any threatening communication that:

1) places a student or school employee in actual and reasonable fear of harm to his or her person or damage to his or her property; or

2) creates or is certain to create a hostile environment by substantially interfering with or impairing a student’s educational performance, opportunities, or benefits or by adversely altering the conditions of an employee’s employment.

“Hostile environment” means that the victim subjectively views the conduct as harassment or bullying and that the conduct is objectively severe or pervasive enough that a reasonable person would agree that it is harassment or bullying. A hostile environment may be created through pervasive or persistent misbehavior or a single incident, if sufficiently severe.

Harassment and bullying include, but are not limited to, behavior described above that is reasonably perceived as being motivated by any actual or perceived differentiating characteristic or motivated by an individual’s association with a person who has or is perceived to have a differentiating characteristic, such as race, color, religion, ancestry, national origin, gender, socioeconomic status, academic status, gender identity, physical appearance, sexual orientation, or mental, physical, developmental, or sensory disability. Examples of behavior that may constitute bullying or harassment include, but are not limited to, verbal taunts, name-calling and put-downs, epithets, derogatory comments or slurs, lewd propositions, exclusion from peer groups, extortion of money or possessions, implied or stated threats, assault, impeding or blocking movement, offensive touching, or any physical interference with normal work or movement, and visual insults, such as derogatory posters or cartoons. Legitimate age-appropriate pedagogical techniques are not considered harassment or bullying.

Harassment, including sexual or gender-based harassment, is not limited to specific situations or relationships. It may occur between fellow students or co-workers, between supervisors and subordinates, between employees and students, or between non-employees, including visitors, and employees or students. Harassment may occur between members of the opposite sex or the same sex.

b. Sexual harassment is one type of harassment. Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when:
1) submission to the conduct is made, either explicitly or implicitly, a
term or condition of an individual’s employment, academic progress,
or completion of a school-related activity;

2) submission to or rejection of such conduct is used as the basis for
employment decisions affecting the individual, or in the case of a
student, submission to or rejection of such conduct is used in
evaluating the student’s performance within a course of study or other
school-related activity; or

3) such conduct is sufficiently severe, persistent, or pervasive that it has
the purpose or effect of unreasonably interfering with an employee’s
work or performance or a student’s educational performance, limiting
a student’s ability to participate in or benefit from an educational
program or environment, or creating an abusive, intimidating, hostile,
or offensive work or educational environment.

Sexually harassing conduct includes, but is not limited to, deliberate,
unwelcome touching that has sexual connotations or is of a sexual nature,
suggestions or demands for sexual involvement accompanied by implied or
overt promises of preferential treatment or threats, pressure for sexual
activity, continued or repeated offensive sexual flirtations, advances or
propositions, continued or repeated verbal remarks about an individual’s
body, sexually degrading words used toward an individual or to describe an
individual, sexual assault, sexual violence, or the display of sexually
suggestive drawings, objects, pictures or written materials. Acts of verbal,
nonverbal, or physical aggression, intimidation, or hostility based on sex, but
not involving sexual activity or language, may be combined with incidents of
sexually harassing conduct to determine if the incidents of sexually harassing
conduct are sufficiently serious to create a sexually hostile environment.

C. Gender-based harassment is also a type of harassment. Gender-based
harassment may include acts of verbal, nonverbal, or physical aggression,
imintimation, or hostility based on sex or sex-stereotyping but not involving
conduct of a sexual nature.

D. REPORTING AND INVESTIGATING COMPLAINTS OF DISCRIMINATION, HARASSMENT, OR
BULLYING

Employees are required to report any actual or suspected violations of this policy. Students,
parents, volunteers, visitors, or others are also strongly encouraged to report any actual or
suspected incidents of discrimination, harassment, or bullying. All reports should be made in
accordance with policy 1720/4015/7225, Discrimination, Harassment, and Bullying
Complaint Procedure, and reported to one of the school officials identified in that policy.
Reports may be made anonymously, and all reports shall be investigated in accordance with
that policy.
E.  **TRAINING AND PROGRAMS**

The board directs the superintendent to establish training and other programs that are designed to help eliminate unlawful discrimination, harassment, and bullying and to foster an environment of understanding and respect for all members of the school community. Information about this policy and the related complaint procedure must be included in the training plan.

As funds are available, the board will provide additional training for students, employees, and volunteers who have significant contact with students regarding the board’s efforts to address discrimination, harassment, and bullying and will create programs to address these issues. The training or programs should (1) provide examples of behavior that constitutes discrimination, harassment, or bullying; (2) teach employees to identify groups that may be the target of discrimination, harassment, or bullying; and (3) train school employees to be alert to locations where such behavior may occur, including locations within school buildings, at school bus stops, on cell phones, and on the Internet.

F.  **NOTICE**

The superintendent is responsible for providing effective notice to students, parents, and employees of this policy and of the procedures for reporting and investigating complaints of discrimination, harassment, and bullying established in policy 1720/4015/7225, Discrimination, Harassment, and Bullying Complaint Procedure. The superintendent must ensure that each school principal provides a copy of this policy and policy 1720/4015/7225 to students, employees, and parents or other responsible care givers at the beginning of each school year. In addition, both policies must be posted on the school system website, and copies of the policies must be readily available in the principal’s office, the media center at each school, and the superintendent’s office. Notice of the policies must appear in all student and employee handbooks and in any school or school system publication that sets forth the comprehensive rules, procedures, and standards of conduct for students and employees.

G.  **COORDINATORS**

The superintendent has appointed the following individuals to coordinate the school system’s efforts to comply with and carry out its responsibilities under federal non-discrimination laws. These responsibilities include investigating any complaints communicated to school officials alleging noncompliance with Title VI or Title IX of the Civil Rights Act, Section 504 of the Rehabilitation Act, the Americans with Disabilities Act (ADA), the Age Discrimination Act, and/or the Boy Scouts Act, or alleging actions which would be prohibited by those laws.

H. RECORDS AND REPORTING

The superintendent or designee shall maintain confidential records of complaints or reports of discrimination, harassment, or bullying. The records must identify the names of all individuals accused of such offenses and the resolution of such complaints or reports. The superintendent also shall maintain records of training conducted and corrective action(s) or other steps taken by the school system to provide an environment free of discrimination, harassment, and bullying.

The superintendent shall report to the State Board of Education all verified cases of discrimination, harassment, or bullying. The report must be made through the Discipline Data Collection Report or through other means required by the State Board.

I. EVALUATION

The superintendent shall evaluate the effectiveness of efforts to correct or prevent discrimination, harassment, and bullying and shall share these evaluations periodically with the board.
